Important: Individual Health Insurance Coverage Will Not Be Available Next Year

Dear BNN GROUP INC:

Please accept this as notice of Aetna Life Insurance Company's decision to withdraw from the New Jersey individual health insurance market effective January 1, 2018. This decision was made under the authority of N.J.A.C. 11:20-18.5. As a result, we will not be able to offer any New Jersey individual members health insurance coverage again next year.

Health insurance coverage for all New Jersey individual members will end at midnight on December 31, 2017. We will send notice of this withdrawal to all New Jersey individual members 180 days prior to nonrenewal. In that notice, we will let them know what they need to do to obtain health coverage in 2018 and that they can contact their broker with questions. We will also remind them in the fall that their Aetna health insurance coverage will not be renewed and will end at midnight on the day before the renewal date. Pursuant to N.J.S.A. 17B:27A-6, all carriers offering individual plans must issue coverage to any individual who requests coverage.

If you have any questions, please contact our Broker Support Team at **1-855-867-2757**. Representatives are available Monday – Friday from 8:30 a.m. to 6:00 p.m. Eastern time. We value our relationship with you and look forward to working together in the future.

Sincerely,

Aetna
